Jogeshwari East, Mumbai, Maharashtra | +91 85915 95889 | manavmate53@gmail.com | **Portfolio** | **Live CrewRoster System** | linkedin.com/in/manavmate

PROFESSIONAL SUMMARY

Execution-focused Event Operations Manager and Founder with 4+ years of hands-on experience delivering 150 to 200+ events in partnership with 15+ premier event management companies across Mumbai. Proven expertise spanning Corporate MICE, Governmental Summits, Live Concerts, Sporting Marathons, and Luxury Weddings at Jio World Convention Centre, NESCO, Mumbai University, and Sahara Star. Directed end-to-end venue mapping, custom merchandise and event procurement, technical AV time management, catering setup planning, and on-ground workforce deployments of up to 133 personnel with a 100% SLA record. Certified International Project Manager (CIPM) from PMI and certified in Operations Management from Saylor University, combining calm on-site crisis handling with Canva pitch design and AI-driven planning workflows.

FEATURED 2026 MARQUEE EVENT EXECUTIONS

- **Tata Mumbai Marathon 2026 (Social & Sporting Mega-Event | Mumbai University Venue):** Directed end-to-end venue operations and full on-ground production across the Mumbai University complex, managing zone mapping, stage setup, crowd flow, and real-time operational contingencies.
- **ICANN 2026 (Global MICE & International Summit | Mumbai):** Led high-volume international delegate registration desks and end-to-end ground logistics, coordinating multi-counter badge issuance, crowd routing, and seamless inter-zone movement.
- **Neurology Summit Mumbai 2026 (Medical MICE Conference):** Managed 4 core pillars across Registration, Stage Production, Floor Operations, and VIP Speaker/Delegate Hospitality, synchronizing technical AV timelines with catering turnovers.

PROFESSIONAL EXPERIENCE (4+ YEARS IN EVENT INDUSTRY)

Founder & Event Operations Lead — Dec 2022 to Feb 2026

NeoManpower (Event Operations, Manpower & Procurement Partner) • Mumbai, India

- Partnered directly with 15+ leading event agencies and 50+ corporate clients to execute 150 to 200+ events spanning Corporate MICE, Governmental Summits, Live Concerts, Social Marathons, and Luxury Weddings across Mumbai.
- Managed end-to-end venue booking workflows, conducting on-site floor mapping and liaising directly with venue management and facility teams (Jio World, NESCO, Mumbai University, 5-star hotels) to secure permissions and ensure smooth event execution.
- Handled event procurement and vendor sourcing, negotiating rates for custom client-requested supplies, event goodies, delegate kits, production materials, and on-ground logistics.
- Directed catering and F&B operations including menu planning suggestions, buffet and kitchen setup layouts, and high-density crowd management during peak dining windows.
- Supervised technical AV operations with strict time management, coordinating console teams, mic handoffs, LED cues, and speaker transitions to keep conferences and live shows strictly on schedule.
- Recruited, briefed, and commanded on-ground teams of up to 133 personnel per show, building QR attendance rosters and standby buffers that achieved 100% SLA compliance and reduced payout reconciliations from 12 days to 48 hours.

Product & Operations Workflow Manager — Jan 2026 to Aug 2026

HireFlo India • Mumbai, India

- Leveraged AI tools and digital workflows to automate bulk frontline staffing, vendor scheduling, and candidate screening, processing 1,000+ profiles in under 10 minutes and lifting onboarding completion by 30%.
- Designed client presentation decks in Canva, drafted automated operational budgets and client communications, and managed weekly project delivery schedules in Jira.

Freelance Event Production & Operations Coordinator — Jun 2021 to Dec 2022

Independent Event Production (MICE, Weddings, Concerts & Brand Activations) • Mumbai, India

- Executed on-ground production, registration desk setups, vendor coordination, and guest hospitality across 40+ corporate conferences, live concerts, and high-net-worth social weddings in Mumbai.
- Managed overnight fabrication setups, AV sound/light checks, branding placements, and venue handover protocols under tight live-show deadlines.

DIGITAL EVENT SYSTEMS & PORTFOLIO BUILDS

- **CrewRoster & Event SLA Dashboard (Live Simulation):** Interactive event workforce rostering, QR check-in audit, and 15-minute emergency standby dispatch tool modeled on managing 133 staff across 200+ Mumbai events.
- **High-Volume Event Registration & Queue Simulator (Live Simulation):** Crowd admission throttling and virtual waiting room flow designed for peak conference and concert check-ins.
